Soft Skills	Communication Skills, problem-solving skills, critical thinking

EXPERIENCE

Python programming intern	JUNE 2025 - JULY 2025
Codsoft	<i>Codsoft</i>

- Developed multiple Python-based applications including a GUI Calculator and Password Generator using Tk-inter, enhancing skills in user interface design and logic implementation.
- Improved code reusability and efficiency by implementing modular functions and error-handling techniques.
- Gained hands-on experience with core Python concepts like OOP, file handling, and libraries, contributing to building real-world mini-projects under mentorship.

Web Developer Intern	JULY 2025 - AUGUST 2025
Prodigy Infotech	<i>Prodigy Infotech</i>

- Designed and developed responsive websites using HTML, CSS, JavaScript, enhancing user interface design and front-end performance.
- • Built interactive features like form validation and dynamic content rendering to improve user engagement and site functionality.
- Collaborated on project-based tasks that strengthened skills in web layout design, code optimization, and version control (Git).

PROJECTS

Portfolio Website Designed and developed a personal portfolio website using HTML, CSS, and JavaScript to showcase skills, projects, and contact details. Implemented responsive design principles to ensure compatibility across all devices. Hosted the site using GitHub Pages, resulting in increased visibility and professional outreach.

Spotify clone Created a functional Spotify-inspired music streaming interface using HTML, CSS, and JavaScript. Implemented features like play/pause, next/previous, progress bar, and dynamic song list to simulate a real music player. The project helped reinforce front-end logic and UI structuring.

EXTRA-CURRICULAR ACTIVITIES

- participated in Techfest of our college and secured the 3rd position in the coding competition with a certificate and trophy award, check my post on linkedin
